

## Contour Figure Drawing

Create a portfolio worthy figure drawing from life using a classroom model. You will have 2 class periods to create your drawing. If you need additional time, take a photograph with your phone and finish the drawing outside of class.

Be sure to use the following criteria

- Correct proportions
- Fill the entire page with the figure
- Use a variation of line
- Facial features
- Contoured lines that define clothing wrinkles

All.3 The student will demonstrate proficiency and craftsmanship (artisanship) in the use of a variety of art media.

All.4 The student will use traditional and nontraditional media and concepts as inspiration to create works of art.
