Metro Richmond Crime Stoppers (MRCS) was formed in 1984 by a group of concerned retailers and regional Law enforcement Officials with the support of the Retail Merchants Association. This makes MRCS one of the oldest Crime Stoppers organizations in the USA. There are well over 2,000 nationwide.

The concerned citizens of the Greater Richmond area felt then, as they do today, that an organized citizenry offering rewards leading to the apprehension of criminals could make a significant contribution toward Law Enforcement's capability to arrest criminals.

Metro Richmond Crime Stoppers is administered by a Board of Directors. The Board is made up of 30 volunteer Directors and representatives of the area Law Enforcement jurisdictions of: City of Richmond, Henrico County, Hanover County, Goochland County, Caroline County, New Kent County and Charles City County.

Our Police Coordinator is Col. Humberto Cardounel, Chief of Henrico County Police. Captain Steve Powell (Ret.) is the Crime Stoppers administrator supervising the call takers and the administration of presenting reward information and other details for the consideration of the Board of Directors.

Anonymity is assured by being given an identification number. Again, no names! Approved rewards are paid out in cash by the identification number.

Hence our slogan;

“We don't have to know who you are to know who they are!”
