

## **Design Class Gallery Show – March 10<sup>th</sup>**

Establish a name for our design show, determined by the class, which applies to the works of all 21 students.

This show will consist of 21+ large pieces and added graphic elements.

Determine a graphic element that will act as an icon for the show and will be replicated in the promotional materials and show display. This element may be reflected by the title of the show.

Linear elements may be used as to unify the pieces in the show.
