

Radial Symmetry to the Max

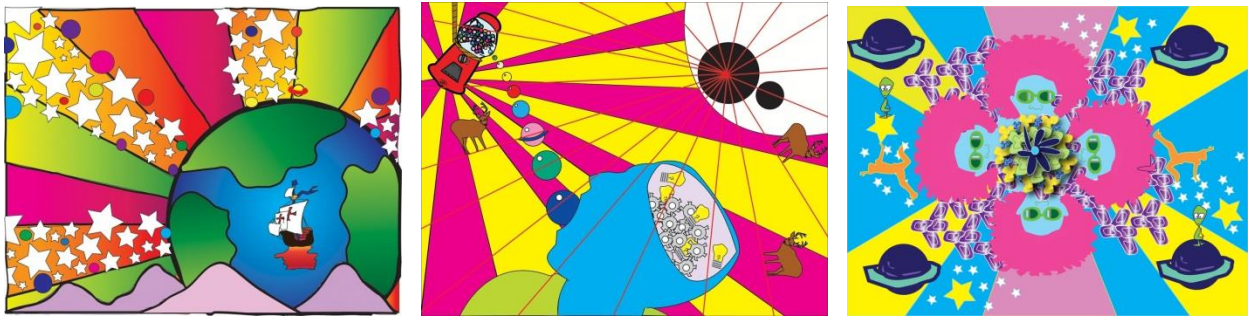

Part 1

Using Illustrator, Create an 11" x 17" poster in the style of Peter Max.

Use the following in your poster.

- Radial Symmetry
- Bright Colors
- Multiple geometric and free-form shapes
- Cosmic Imagery
- At least 3 objects from real life (not abstraction)

At least one visually complex real life element duplicated by tracing in Illustrator.

Be sure to title your work **lastname_fi_radialmax.ai**

Place it in the proper drop box designated on mccrayart.com

Be sure that you image shows up in the Google Drive drop box.
