

Pre-learning design

Design 2

Create an 8.5 x 11" design in Illustrator with one triangle, one circle, one square, and one line. Keep the shapes solid. You may not use transparency or any other fancy effects. This project is about scale and placement. You may use any colors you wish

Design 3

Create an 8.5 x 11" design in Illustrator with three different letters using the font Baskerville Old Face. Keep the letters solid. You may not use transparency or any other fancy effects. This project is about scale and placement. You may use any colors you wish.

Design 4

Create an 8.5 x 11" design in Illustrator with one basic shape, one letter (Baskerville Old Face) and one black and white photographic image of your choosing. Your shape and letters may be any color, but keep them solid. You may not use transparency or any other fancy effects. This project is about scale and placement. You may use any colors you wish.
