

Art Criticism Exercise

Write a four paragraphs (complete sentences) of art criticism on the work of art that follows. Each paragraph that is written should be based on each of the four steps of art criticism; description, analysis, interpretation, and judgment.

For **description**, use at least **three elements** of art. Be sure to underline each element of art and describe how it is used

For **analysis**, use at least **three principles** of design. Be sure to underline each principle of design and describe how it is used
