

# Dada Pages

Create 3 pages in your sketchbook in the style of Dada artists. All white space must be completely covered.

**Page 1** – Create a multilayered interesting design using multiple colors and shapes of construction paper.

**Page 2** - Create a design communicating a singular theme using a variety of magazine imagery and text.

**Page 3** – Create a design communicating a different singular theme using construction paper, magazine imagery, and hand-drawn elements.

\*Hand drawn elements – any mark made by hand using writing or drawing materials. These elements may be **abstract** or realistic.
